Dear Ride-Share, I would like to thank you for the great ride and I hope that you as well enjoyed it. For facilitating the payments I use a billing assistant. The proposed service charge of ₹622.88 which will be deducted from your credit card by my billing assistant is a voluntary bonus to reward the pleasant ride and the provided services. If you do not agree with the service charge, you are free to adjust the amount according to your wishes and your ideas or completely refrain from the payment. In these events the corresponding amount will be returned to your credit card after a short notice to our billing assistant (support@uber.com).

Fare does not include fees that may be charged by your bank. Please contact your bank directly for inquiries.
